CELEBRATING OUR NURSES

We had such a special time celebrating our nurses throughout National Nurses Week. At Compassionate Care, we want to make sure our entire team feels celebrated *everyday*, not just on a holiday. We hope you enjoyed the special treats and felt a little extra special!

A MESSAGE FROM MARIE

My people! It's hard to believe it's been a year since I started with Compassionate Care! From the bottom of my heart, thank you for accepting me into your family. It has truly been a joy to get to know everyone, professionally and personally! Don't you worry... my many texts and phone calls aren't going anywhere. Y'all are stuck with me!

HEY GUYS... YOU'RE THE BEST!

It is our absolute privilege and honor to work with each of our nurses, day in and day out. Never forget... Compassionate Care is here to serve YOU. We have been blessed with positive additions and exciting new opportunities this past month, and we celebrate each and every one of YOUR successes. Thank you... for going above and beyond for your clients and community. We are so proud!
