## SAY CHEESE!

We absolutely love staying connected with our nurses on social media. Our hearts smile when we see you posting pictures with friends at work, spending time at home with family, or away on vacations! Our number one goal is seeing you succeed professionally and personally, and we rejoice with you on each of your accomplishments. So don't be shy - get to posting! And make sure you're following us so we get to join in on the fun with you!

# BEHIND THE MAGIC AT CCU...

To know her is to love her, and we are so incredibly lucky to have her on the Compassionate Care team. The one and only Carole Mattia! She sure is one talented lady! Outside of being a fantastic nurse, she has single handedly created our company's website and manages our social media pages. She is also instrumental in the credentialing process at CCU. We could go on and on about all of her amazing qualities... Carole, we love and appreciate you more than you know. THANK YOU!

## GREATNESS RUNS IN THE FAMILY!

Many nurses and client facilities have already had the pleasure of working with this wonderful young man, but for those of you haven't... Daniel Six is officially on the CCU team! Daniel is in school at RMU majoring in mechanical engineering with a minor in business management. He will be working alongside the internal office team to assist everyone's needs at Compassionate Care. Join us in making sure he feels the warmth and welcome from each of you!
